[Response to Denka RFC \(17002\) Re Chloroprene.pdf](#)

Hi Bob, Chris, Bruce, and Richard,

As you may have heard, Denka and the Request for Correction (RfC) of the chloroprene IRIS assessment were introduced by Ken Mundt last week at the IRIS congressional hearing. This attached letter requesting EPA reject the RfC was sent to the congressional subcommittees on behalf of concerned residents and community. Interestingly, the work is being led by Karl Brooks, former Acting AA of OARM. We will forward the letter to OEI which is managing this RfC process.

Please let us know if you need additional information.

Thanks,

Tina
